

# Duniya mein hum aaye

[Original](#) [Transliteration](#)

Duniya Mein Hum Aaye Hain To Jeena Hi Padega  
Jeevan Hai Agar Zehar To Peena Hi Padega  
Duniya Mein Hum Aaye Hain To Jeena Hi Padega  
Jeevan Hai Agar Zehar To Peena Hi Padega  
Gir Gir Ke Museebat Mein Sambhalte Hi Rahenge  
Jal Jaayen Magar Aag Pe Chalte Hi Rahenge  
Gir Gir Ke Museebat Mein Sambhalte Hi Rahenge  
Jal Jaayen Magar Aag Pe Chalte Hi Rahenge  
Gum Jisne Diye  
Gum Jisne Diye Hain Wohi Gum Door Karega  
Gum Jisne Diye Hain Wohi Gum Door Karega  
Duniya Mein Hum Aaye Hain To Jeena Hi Padega  
Jeevan Hai Agar Zehar To Peena Hi Padega  
Aurat Hai Woh Aurat Jise Duniya Ki Sharam Hai  
Sansaar Mein Bas Laaj Hi Naari Ka Dharam Hai  
Sansaar Mein Bas Laaj Hi Naari Ka Dharam Hai  
Zinda Hai Jo  
Zinda Hai Jo Izzat Se Woh Izzat Se Marega  
Zinda Hai Jo Izzat Se Woh Izzat Se Marega  
Duniya Mein Hum Aaye Hain To Jeena Hi Padega  
Jeevan Hai Agar Zehar To Peena Hi Padega  
Maalik Hai Tere Saath Na Darr Gum Se Tu Ae Dil  
Mehnat Kare Insaan To Kya Kaam Hai Mushkil  
Maalik Hai Tere Saath Na Darr Gum Se Tu Ae Dil  
Mehnat Kare Insaan To Kya Kaam Hai Mushkil  
Jaisa Jo Kare  
Jaisa Jo Karega Yahan Waisa Hi Bharega  
Jaisa Jo Karega Yahan Waisa Hi Bharega  
Duniya Mein Hum Aaye Hain To Jeena Hi Padega  
Jeevan Hai Agar Zehar To Peena Hi Padega

# We Came To The World

If we have come to the world then we have to live  
If our life is poison so we have to drink it  
If we have come to the world then we have to live  
If our life is poison so we have to drink it  
After falling again and again in our troubles we will keep doing it  
till we get it right  
If we burn ourselves we will keep walking in fire  
After falling again and again in our troubles we will keep doing it  
till we get it right  
If we burn ourselves we will keep walking in fire  
The person who gave us sadness  
The person who gave us sadness will make it go  
The person who gave us sadness will make it go  
If we have come to the world then we have to live  
If our life is poison so we have to drink it  
Woman is a woman is is shamed of the world  
In a society only the woman has the right  
In a society only the woman has the right  
The person who is alive  
The person who is alive with respect dies with respect  
The person who is alive with respect dies with respect  
If we have come to the world then we have to live  
If our life is poison so we have to drink it  
God is with you so don't be afraid with sadness you heart  
If a person does hardwork then what work is difficult  
God is with you so don't be afraid with sadness you heart  
If a person does hardwork then what work is difficult  
How a person does  
How a person does here that only fulfills  
How a person does here that only fulfills  
If we came to the world then we have to live  
If our life is poison so we have to drink it.
