Free admission with voluntary donation to the museum

***Q & A with Director/Co-Producer Zeinabu irene Davis and
Co-Producer Andy Rice after the screening***

SPIRITS OF REBELLION (2016, 101 min.) is an award-winning feature documentary about a small group of critically acclaimed black filmmakers named the Los Angeles Rebellion by historians and critics. Headlined by Julie Dash, Haile Gerima, and Charles Burnett, the LA Rebellion was one of the first collectives of black film artists to tell stories about and for their own communities.
