STATE OF MICHIGAN
EXECUTIVE OFFICE
LANSING

FRED W. GREEN
GOVERNOR

May 26, 1930

Mr. Michael Macalla
8948 Mendota
Detroit, Michigan

My dear Mr. Macalla:

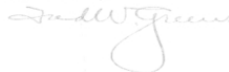

Am expecting to announce in the next few days that I will not be a candidate for any office at the coming primaries. Please treat this information as confidential for the present.

The suggestion on the part of many good citizens that I become a candidate for renomination or a candidate for the United States Senate has been most pleasing.

I am also appreciative of the splendid cooperation that you have given me. The thoughts of these friendly relations will be a satisfaction to me in the years to come. They are more than ample compensation for whatever I have been able to contribute to the State.

There is much to be done in the remaining months. I hope to have the same cooperation and friendly spirit that you have given me in the past.

Sincerely yours,

FWG:H
