GENERAL SLAVIC
(SLAVIC. REF.)

CONTENTS

Volume III

Slavic languages

2.4.2. Russian	
General	1
History of linguistics, biographical data, organizations	7
Linguistic theory and methodology	14
Philosophy of language	15
Semiotics	16
Applied linguistics	17
Phonetics and phonology	18
Phonetics	19
Articulatory phonetics	21
Acoustic phonetics	22
Auditory phonetics	23
Speech technology	24
Phonology	24
Suprasegmental phonology (prosody)	26
Mor(pho)phonology	32
Grammar, morphosyntax	33
Morphology and word-formation	39
Inflectional morphology	43
Derivational morphology	47
Syntax	62
Lexicon (lexicology and lexicography)	92
Lexicology	93
Lexicography	119
Monolingual lexicography	124
Plurilingual lexicography	130
Etymology	134
Terminology	139
Phraseology, paroemiology	149
Semantics and pragmatics	175
Semantics	178
Lexical semantics	200
Grammatical semantics	234
Pragmatics, discourse analysis and text grammar	265
Stylistics	305
Metrics, versification	317
Translation	319
Script, orthography	326
Orthography	327
Punctuation	329

Origin of language	330
Psycholinguistics	330
Language production	330
Language comprehension	332
Language acquisition	333
First language acquisition, child language	334
First language acquisition by pre-school children	335
First language acquisition by school children	335
Plurilingual language acquisition	337
Second language acquisition	338
Neurolinguistics and language disorders	339
Sociolinguistics and dialectology	342
Sociolinguistics	342
Language attitudes and social identity	344
Language policy and language planning	367
Language for special purposes	370
Language loss and maintenance	373
Multilingualism, language contact	376
Multilingualism	377
Diglossia	377
Language contact	381
Linguistic geography	381
Dialectology	386
Dialectal lexicon	396
Comparative linguistics	406
Historical linguistics and language change	406
Linguistic typology, universals of language	420
Formal models (mathematical linguistics)	421
Statistical and quantitative linguistics	421
Computational linguistics	423
2.4.3. Ukrainian	
General	425
History of linguistics, biographical data, organizations	428
Linguistic theory and methodology	432
Semiotics	432
Applied linguistics	432
Phonetics and phonology	432
Phonetics	433
Phonology	435
Mor(pho)phonology	437
Grammar, morphosyntax	437
Morphology and word-formation	440
Inflectional morphology	442
Derivational morphology	443
Syntax	451
Lexicon (lexicology and lexicography)	465
Lexicology	465
Lexicography	476
Monolingual lexicography	478
Plurilingual lexicography	479
Etymology	480
Terminology	483
Phraseology, paroemiology	493

Semantics and pragmatics	501
Semantics	503
Lexical semantics	512
Grammatical semantics	524
Pragmatics, discourse analysis and text grammar	530
Stylistics	536
Metrics, versification	543
Translation	543
Script, orthography	546
Psycholinguistics, language acquisition and neurolinguistics	548
Sociolinguistics and dialectology	550
Sociolinguistics	551
Language attitudes and social identity	558
Language policy and language planning	560
Language for special purposes	563
Language loss and maintenance	564
Multilingualism, language contact	564
Multilingualism	564
Diglossia	565
Language contact	565
Linguistic geography	569
Dialectology	570
Dialectal lexicon	577
Comparative linguistics	586
Historical linguistics and language change	586
Linguistic typology, universals of language	595
Mathematical and computational linguistics	595
Rusyn	
General	596
Phonetics and phonology	597
Grammar, morphosyntax	598
Morphology and word-formation	598
Syntax	598
Lexicology	598
Lexicography	598
Etymology	599
Terminology	599
Phraseology, paroemiology	599
Semantics and pragmatics	599
Stylistics	599
Translation	599
Sociolinguistics and dialectology	599
Comparative linguistics	599
Belarusian (Byelo-Russian, White Russian)	602
General	602
Phonetics and phonology	605
Grammar, morphosyntax	607
Morphology and word-formation	607
Inflectional morphology	607
Derivational morphology	608
Syntax	611
Lexicon (lexicology and lexicography)	612
Lexicology	613

Origin of language	330
Psycholinguistics	330
Language production	332
Language comprehension	333
Language acquisition	334
First language acquisition, child language	335
First language acquisition by pre-school children	335
First language acquisition by school children	337
