

PRESERVE YOUR FAMILY'S IM/MIGRATION STORY

SATURDAY, JULY 15TH

Dig out your precious photographs, documents, or letters and Xavier's Public History Program & Library Team will create digital copies for you. Preserve your im/migration memorabilia for future generations and, if you like, share your history with the public.

Event participants will receive a complimentary USB drive with digital, preservation-quality, image files of their items.

FREE & OPEN TO THE PUBLIC | 9 AM – 1 PM

Mission Animators are Xavier faculty and staff working with President Michael Graham, S.J. to integrate Xavier's Jesuit identity into life at Xavier. Inspired by Pope Francis, the group chose immigration as a focus for the 2016-2017 academic year. With the generous gift of an anonymous Xavier supporter, grants were offered to create programming around the topic.
