 December 16, 1933 Captain Myles K. Stolz, 32nd Inf. Res. assumed command and moved to Camp F-126, Port Hill, Idaho in the spring of 1934, then to Camp F-105, California Hot Springs, California, October 1934, then to Camp SCS-1, Winnett, Montana in September 1935.

July 19th, 1939 the company moved to Camp SCS-2, Lewistown, Montana with Lt. Vancel R. Beck in command. The present Staff Members are Company Commander Lloyd Y. Turnell, Subaltern Clarence Murray, Dr. M. Rappoport Camp Physician, George W. Beatty, Educational adviser. Mr. E. J. Parkinson is the Soil Conservation

Service Project Superintendent.

Company 575 furnished 200 of the 3000 CCC members who fought the great 1934 Hemlock fire in Idaho.

In 1934-40 its members won the sub-district Baseball Championship and placed third in the state. It won the Montana Soft-Ball Championship, the Sub-district Basketball Championship and placed fourth in the state. It produced the sub-district, the district and the inter-district Bantam Weight Boxing Champion, Anthony Pope.

Up to 1940 it held the distinction of building the largest earth filled dam constructed by any single company in the United States at Winnett, Montana.
