

What: The Challenges of Delivering & Explaining Pig Welfare

Keywords: Agricultural practices > Farming methods, Policy

When/Where: September 19, 2005
<http://www.thepigsite.com/articles/1445/the-challenges-of-delivering-explaining-pig-welfare>, originally on U of M Extension website.

Who: John Deen, College of Veterinary Medicine, University of Minnesota
 For swine farmers (& the public)

Why: To explain basic tenets of pig welfare and how they can be monitored, and to discuss the difficulty of communicating about these approaches to a concerned public.

How:
