

Type: Person / community

What: Minnesota Grocers Association
State trade association representing the retail food industry; advocates for reduced government mandates/taxes/restrictions, in favor of a free market, problem resolution directly with employees

Keywords: Distribution > Retail / sales opportunities, Policy

When/Where: 1897 - present
Activity affects all of MN, headquartered in St. Paul

Who:

Why: Presence in state politics representing the distributor, instead of the more often seen producer association.

How:
