

What: Local Food: Where to Find It, How to Buy It

Keywords: local food, farmers market, rural-urban partnership, development, community, dialogue / partnership

When/Where: 2005, updated 2011

Who: Jane Grimsbo Jewett & Derrick Braaten (MISA)
For consumers / the general public

Why: To create an approachable and easy-to-use guide for the consumer interested in buying local food for the first time or finding new ways to do so.

How: long but attractive & approachable layout; lots of info & directs readers to more outside resources; appendices w/ farmers market directory, local food directory, recipes, etc.
