

Knowledge/Experience

What: Social Capital & Community Gardens: A Lit Review

Keywords: social capital, community garden, development, community networks, urban garden

When/Where: 2012

Who: Keith Miller, through CURA's NPCR Gardening Matters, community gardener organizers (but really it's written in a way that would appeal to academics)

Why: To collect background information necessary to develop a "Community Garden Social Impact Assessment Toolkit."

How:

Type:
