MAJOR GENERAL JIMMY DOOLITTLE ASKS YOUR HELP IN BUILDING THE SHANGRI-LA

The new Shangri-La will be a mighty aircraft carrier from whose decks will fly the bombers that will bomb Japan again and again. The money to build this ship will come from true Americans who were willing to purchase as little as one dollar's worth of War Stamps EXTRA during the month of July. Your purchase of Stamps makes you one of the true Americans who will be able to say "I had a part in that raid, Jimmy Doolittle is saying "Please" . . . We cannot refuse him!
