

(EUI Final Research Form)

**Ethnography of the University Initiative  
Final Research Form**

Name(s): \_\_\_\_\_

Project Title: \_\_\_\_\_

Course/Semester/Instructor: \_\_\_\_\_

*Your completed Research Summary form will be collected by your instructor and given to Dr. Karen Rodriguez 'G, EUI Responsible Project Investigator, as part of EUI's compliance with the campus Office for the Protection of Research Subject's (OPRS) effort to protect human research subjects from harm. At semester's end, your form will be filed by EUI with the OPRS. See [www.oprs.illinois.edu](http://www.oprs.illinois.edu) for more information about the campus OPRS.*

1. Where did you conduct your ethnographic observations and interviews?
  
  
  
  
  
  
  
  
  
  
- 2a. Please provide demographic information for your interviewees:  
  
Women (number of):  
Men (number of):  
Alternative gender identification (number of):  
Ethnic/racial breakdown (if information disclosed by interviewees):
  
  
  
  
  
  
  
  
  
  
- 2b. Please provide the following estimate for those you observed intensively for an extended period of time, but did not interview:  
  
Women (number of):  
Men (number of):  
Alternative gender identification (number of)
  
  
  
  
  
  
  
  
  
  
3. How did you select and recruit your interviewees?
  
  
  
  
  
  
  
  
  
  
4. On the back side of this form or an attached sheet, please briefly describe your research project. A paragraph will be sufficient. You can use your abstract here.

5. Please attach signed Informed Consent forms for all interviewees, as well as for subjects who were observed directly for a sustained period of time.
