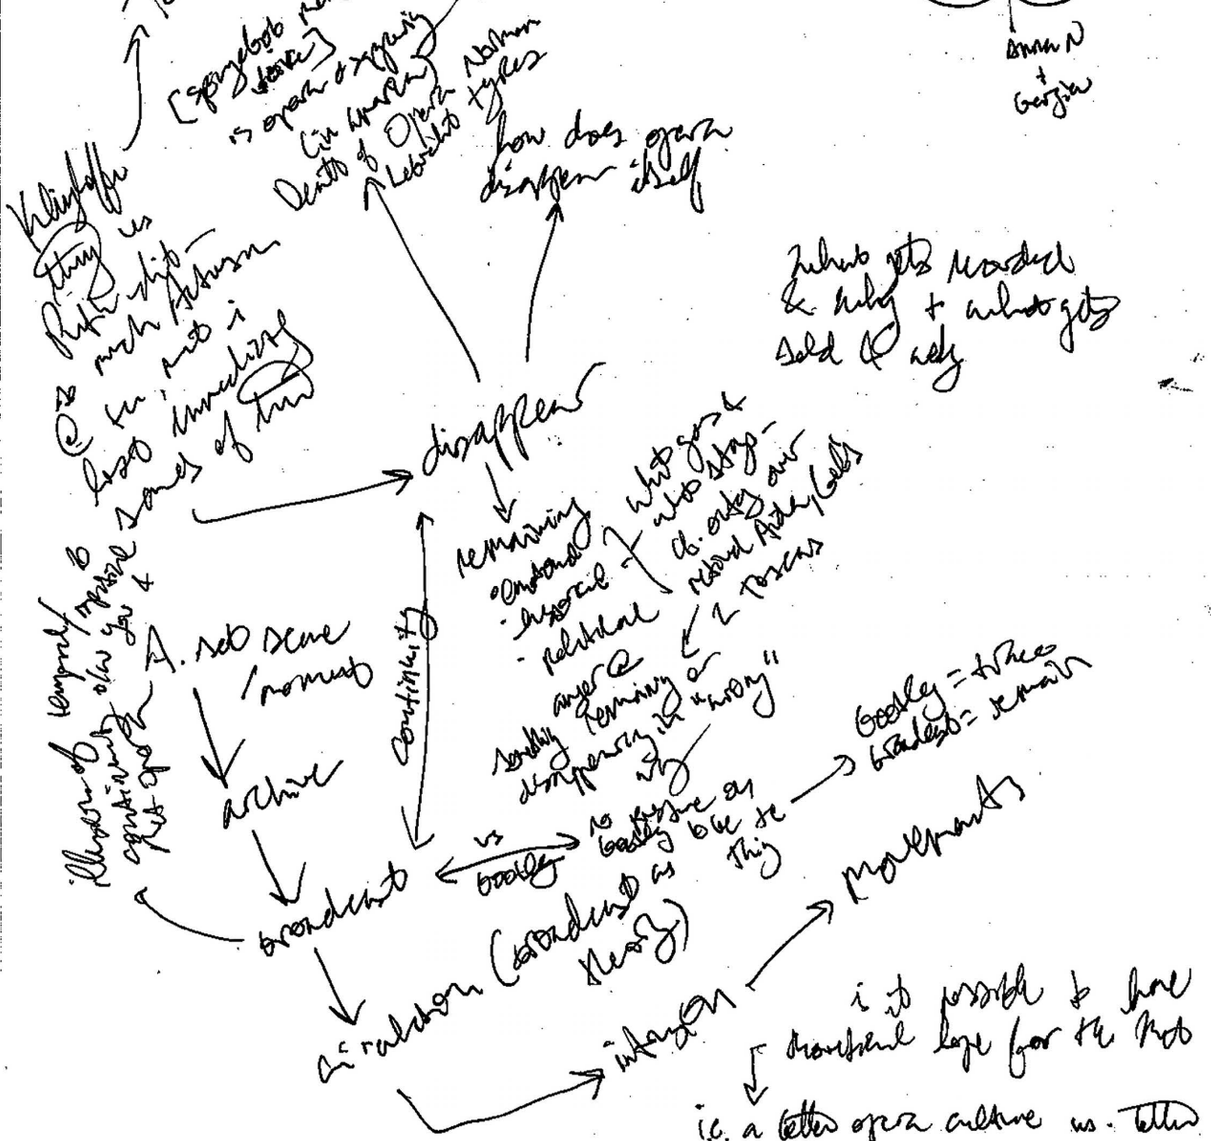
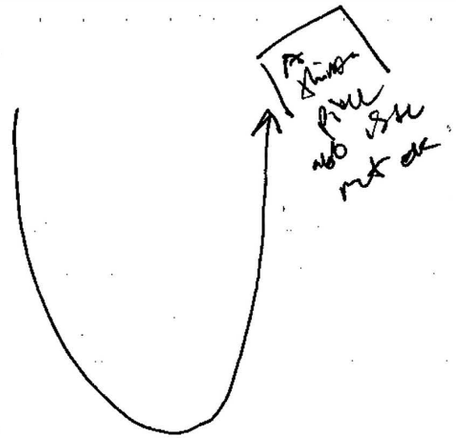
How does opera disappear itself

Subtext gets recorded & subtext gets sold & sold



i.e. a better opera culture vs. better not

is it possible to have structural logic for the Not



opera & its own best archive
↳ do any artworks get encoding the archive
↳ is this a future?

passage only → opera techne & impossibility
disappearance
the Voice

opera culture deeply rooted in illusions of - continuity
- ideal form
- Hegel
- genius / cultural repetition

any return once disappeared
