KRIGWA PLAYERS

CHARLES BURROUGHS, DIRECTOR

Dear Friend:

Krigwa Players will take part again in the Helasco Little Theatre Tournament. Last year they were successful in winning one of the Samuel French prizes of \$200. They competed with sixteen other Little Theatre groups. Their work was so well liked that there was a demand for their return this year. This season they will present "Aftermath", a play of Negro Life, by Mary Burrill. This play has been enthusiastically received wherever it has been presented.

The fee required for entry in the tournament can be covered by the sale of a block of one hundred tickets. The interested public can help materially by quickly taking these tickets which the group must dispose of. The contest begins

Performance
May 8.

Will you kindly indicate on the enclosed card the number of tickets you wish? *Price, \$2.00 each.*

Sincerely,

KRIGWA PLAYERS
