Beyoğlu, İstanbul, Turkey

To whom it may concern,

This is to certify that **Pablo DeSoto** has co-tutored the **Mapping the Commons Workshop**, an extracurricular teaching event initiated by Amber Platform in Istanbul Technical University between 1-8 November 2012. 19 workshop attendees were a mixture of 10 post-graduate students, 7 graduate students, and 2 researchers. The program of the workshop included lectures, site walks and documentations, and studio tutoring.
