

SLIDES Draft Feedback Form

Name: _____

Feedback on **general topic**? Did it capture your interest? Did it connect clearly to the theme of safety? Is the **narrative/story/goal** clear?

Feedback on **representation of visual materials from the archives** or other historical sources? Were they present (if not, are there visuals you can suggest to be used)? Did the materials used make sense in the narrative?

Feedback on **representation of the interview**: Were key quotes visible used? Was the interviewee **identified/credited** in the slide? Did the use of the interview make sense?

Feedback on **data visualization/use of survey data**? Did the use of the data make sense? Was it easy to interpret? Any suggestions for improvement?

Feedback **presentation length and style**: Did the draft slides that were shared suggest there would be enough or too much material for a 7 minute presentation? Can you suggest anything to add or cut from the presentation to keep it within a 5-10 slide length?

Feedback on **overall visual content**: Were the slides visually engaging? How was the visual-textual balance? Was there too much/little text?
