Sweet & Spring Rolling

The Art of Food in Frogtown and Rondo

You are invited to an artist led community food event hosted by Public Art Saint Paul on Saturday February 18 from 10 am - 1 pm at the Hmongtown Marketplace. Art of Food in Frogtown and Rondo is a neighborhood based project to celebrate food and culture and create plans with local non-profit organizations for community investment. There will be demonstrations on how to make spring rolls and homemade ice cream along with art activities for youth to learn and talk about the connections between art, food culture, and place. This event is free for kids and adults of all ages, and free parking is available. In addition to the food that you will be making, there is optional food that can be purchased through local vendors within the Hmongtown Marketplace.
