

**THE STORIES OF L.A.
ALL DAY.
ALL IN ONE PLACE.**

**10TH
ANNUAL**

For 20 years, the L.A. as Subject consortium has brought to life the diverse, often hidden stories that make Southern California such a fascinating place of discovery. Ten years ago, we inaugurated the Los Angeles Archives Bazaar to give anyone with an interest in the region's history a one-stop opportunity to interact with dozens of archives, from large institutions to private collectors. In all, more than 70 archives are represented at this event, which is free and open to the public.

**20TH
ANNIVERSARY**

In addition to the wealth of information on display from exhibitors, the bazaar will feature workshops and demonstrations on the archiving and preservation of photographs and scrapbooks; a program on how to research historical information about Los Angeles; a discussion on the history of imbibing in Southern California; a screening of *Lost L.A.*, a new series from KCET on the hidden treasures of the city; and a panel discussion with some of the authors of *LATitudes: An Angeleno's Atlas*, a groundbreaking new collaboration of cartographers, historians, scholars, and writers.
