~~you to the trouble of attending to them~~

you to the trouble of attending to this matter for me if you can.
Mr. Parnley lives next door to St. Mark's church which is in
your neighbourhood. Dr. Chandler has gone to California, I hope
he may do well. a great many have gone from here this winter.
I shall be in New York in July or August. I will then see
you about the business matters between us. I am sorry that
business has been so dull as not to enable me to send you
some money before this, but I shall do the best I can.
I shall write you again before long.

Yours respectfully
John P. Bailey
