YORUBA COMPOSITION

PRINTED IN GREAT BRITAIN BY
LUND HUMPHRIES
LONDON · BRADFORD

PREFACE

The authors can rightly claim this production as the first of its kind ever published. It has been compiled with great care, at the cost of much toil and labour.

It should be used in conjunction with the Yoruba Grammar, by the same authors, by students intending to read for the Higher Standard Yoruba or for the Yoruba Matriculation Examination of the Universities of London and Glasgow.
