PREFACE.

The object of this book is to teach the correct way of writing proper Yoruba by means of systematic teaching of the language beginning from the use of words of one syllable right up to the use of words of not more than two syllables.

The Vocabulary to each Lesson will furnish the pupils with extensive knowledge of Yoruba and English words and their meaning.

The pupils in the Infant Department are expected to read the Lessons in Part A only of each Exercise. Dictation Exercise to follow Reading Exercise in each case.

Part B of each Exercise is intended for pupils in advanced classes.

The Second Book—Second Steps in Yoruba Composition, when published will be Continuation Lessons for the lower Classes as well as advanced Classes on the same line as Book I.

It is hoped that this work will meet the need that is keenly felt in this direction.
