Iwe Itumọ Awọn Owe ati Ede Yoruba.

English Translations of Yoruba Phrases
and Proverbs Part II.

PREFACE.

The English Translations of Yoruba Phrases and Proverbs" is Part II of "Yoruba Translations of English Phrases and Proverbs" Part I.

When Part I was first published, and a complimentary copy was sent to Rev. Nightingale at Ibadan then, he wrote to thank me and advised the edition of English Translations of Yoruba Phrases and Proverbs.

Besides this, there had been frequent requests for Part II which made me compile the present edition.

As "English - Yoruba Dictionary" is to "Yoruba - English Dictionary" so is Part I to this edition.

It is hoped that this work will be of use to those who need it. "Prov." is placed at the end of every Proverb, the rest are Phrases.
