PREFACE

In order to cultivate a love for reading in small children; the contents of their earliest reading books must be a spring of pleasure and amusement as well as a channel for the training and development of intelligence.

These are the standards according to which *Akoko Yoruba Part III* is written and I humbly dedicate it to the memory of my own teachers and respectfully offer it for the use of my young friends and pupils.

E. A. ATILADE.

17, Coates Street, Ebute Metta,
